THE DESCENDANTS  
OF  
JOHN SLAVIN  
FROM  
COUNTY TYRONE IRELAND

Origin of the Name.

The name is from the Irish word Sliabh meaning Mountains. The earliest form of the spelling was Sliabhan and some of the descendants changed the name to O'Sliabhan. The first attempt at anglicization of the name, Slieven or Sleven appears in the names of certain mountains in Ireland. Viz:-Slievenamuck, Slievenanee, Slievenaman and Slievensnaght--this last meaning Snow Mountain.

The pioneer immigrant to America, John, spelled his name Slavin. His children changed the spelling to Slaven. Some of his sons, Isaiah being one of the, added the "S" making the spelling Slavens. Some of the descendants in Virginia and West Virginia of the 5th and 6th generation have changed the spelling back to the original Slavin while other members of the same family spell it Slaven. The first member of this Irish family to come to America was:

JOHN SLAVIN (J)

who was born in County Tyrone, Ulster, Ireland, 1723 and came to America in 1740 at the age of 17 years. He was of the Presbyterian faith and by trade in Ireland a weaver. With many other Scotch-Irish who came over about the same time he located at first in Pennsylvania. John with at least two of his brothers settled near what is now Philadelphia, Pa. He moved from there to Rockingham County, Va. and settled on Cooks Creek, near Mount Clinton, not far from Staunton in what is now Augusta County. He later moved to what is now Highland County, Va. (1777), near the head waters of Jackson's River and settled on land now known as Meadow Dale, and near what is now Monterey, Virginia. He was one of the first three settlers in that locality, the Indians having moved further west. The last Indian raid in Augusta County, Va. took place in 1764. His descendants still own and live on part of the land on which he settled. A part

of this land is from an original grant of George III, 1720 and a part from the common wealth of Va. 1783. The foundation lines of the first home (log house) can still be traced. This log house was built in the most primitive way there being few carpenters tools and practically no nails. The clap boards for the roof were split from logs and held in place by logs laid cross wise on them. Later a second log house, slave quarters and other out buildings were erected by his descendants and still later the brick house now standing and near by the home now known as Meadow Dale. John Slavin married Elizabeth Stuart in Staunton, Virginia, 1748. She was born in Scotland, 1726 and came to America from England along with other members of the Stuart family coming over at that time and landing in Baltimore, Maryland. She was a Presbyterian. John Slavin died 1788, and he and his wife, Elizabeth Stuart who died 1795, and daughters, Comfort Higgins and Naomi Galferd, are buried in the family burying ground, on the land then owned by him, two and one half miles north of Meadow Dale and about one mile south of the main highway now leading west from Monterey, Va. The grave is marked with a granite marker and is on a mountain side in a beautiful location. A large ash tree has grown up since his burial over his grave, and the foot stone is embedded in its roots. John Slavin was a pioneer, founder and patriot. His sons served in the Revolutionary War and his sons and grandsons in the War 1812. His descendants served in the Mexican War, the Indian Wars, the Civil War (both sides) and in all subsequent wars. The John Slavin Family Bible brought from Scotland is still in the hands of his descendants. The earliest entry in the Bible is 1751. It contains ten names of his children and dates of birth to include; Reuben, born July 10th, 1765, "on Sunday morning". The names of some of the later children cannot now be traced, the ink having faded. The time of day of birth was given as above.

The Bible is covered with Deer-skin, killed and tanned on the place. The following is the legend in the Bible:

PRINTED  
EDINBURG  
PRINTED BY ADRIAN WATKIN  
HIS MAJESTYS PRINTER  
MDCCXLVI

It was probably brought over to this country by Elizabeth Stuart or the members of her family.
